Dear Edith,

During the past month, your gift through Andrew Parker -- along with an amazing 1,137 hours of volunteer service in the food line, meal program, and here in the office -- brought help to the most needy of our neighbors. In fact, not counting the hot meals we served in our lunch program, the food bank distributed over 79,661 pounds of food in the month of January alone! In addition, 507 of the 3,113 clients we served were under the age of 18 - with 31 of those being under the age of two.

The need is great, but so is your generosity. Thank you again for the important part you play in helping us serve our neighbors in need.

Nancy
