February 26, 2008

Dear Andrew,

Thank you for your donation of \$100 given to the Phinney Neighborhood Association in honor of Phil Calvert.

Your donation will help support a number of valuable programs and services that the PNA has developed over the years to benefit all the members of our community – programs that range from soup kitchens to childcare to arts programming to classes for both adults and children.

Thank you for invaluable support.

Sincerely,

Ann Bowden  
Development Director
